

HELP PREVENT SMOG WHILE COLORING OUR DOG!

Hi! My name is Scooter® and my job is to teach kids like you about the Sacramento Region's Spare The Air program. Poor air quality can affect your health, as well as your pet's health, but there are simple things you can do to help improve the air we breathe. Join me in my quest to help Spare The Air. Use this activity book to find ways you can reduce air pollution and make a big difference in your community! Ask your parents to go to my website, aqmdscooter.com, for more fun activities and Spare The Air tips!
